linkedin.com/in/aaliya-bashir

Atlanta-based program and operations leader with 15+ years of experience delivering complex, high-visibility initiatives across regulated and multi-stakeholder environments. Brings hands-on experience managing budgets up to \$4.5M, coordinating cross-functional teams, supporting executive decision-making, and serving customer-facing programs tied to healthcare, academic medicine, and Departments of Defense & Energy-related work. Well suited for turbine engine portfolio work requiring disciplined program execution, strong communication, operational scaling, and collaboration across technical, operational, and leadership teams.

CORE COMPETENCIES

• Program execution and delivery	• Cross-functional team coordination	• Government and commercial customer collaboration
• Budget, schedule, and stakeholder management	• Executive reporting and decision support	• Regulated-environment program delivery
• Operational scaling and process design	• Power BI · Tableau · SQL · Excel · PowerQuery	• Agile and Waterfall methodologies

EXPERIENCE

Technical Program Manager – Total Rewards

Wellstar Health System · Atlanta, GA

Jan 2025 – Present

- Support enterprise programs tied to Total Rewards and Labor Optimization, translating complex operational data into dashboards, presentations, and leadership-ready reporting.
- Build executive materials connecting program activity to ROI, utilization, operational impact, and workforce decision-making.
- Use Power BI, Tableau, SQL, Excel, and PowerQuery to surface trends, improve reporting quality, and support faster cross-functional decisions.
- Coordinate across stakeholders to streamline repeatable processes, reduce silos, and improve visibility across teams.

Program Manager

Harvard Medical School · Remote

Jan 2023 – Jan 2025

- Led a complex, multi-stakeholder initiative with a record-setting \$4.5M budget supporting program redesign, governance, communications, and execution milestones.
- Aligned 10+ institutions, hospital partners, educators, and internal stakeholders around timelines, priorities, and delivery requirements.
- Built operating rhythms, decision frameworks, and communication plans that reduced ambiguity and kept a high-visibility program on track.
- Managed sensitive priorities with tact and structure, ensuring the right stakeholders had the right information at the right time.

Technical Project Manager

Ideagen DevonWay · Remote

Nov 2022 – Jan 2024

- Managed high-visibility software implementations for Departments of Defense & Energy clients and regulated-industry partners with budgets ranging from \$245K to \$2.2M.
- Served as primary client contact for scope, schedule, status reporting, and issue resolution — improving customer satisfaction by 25%.
- Kept cross-functional teams aligned across sales, development, and customer environments to deliver complex technical programs on time.
- Translated technical requirements into practical business decisions with strong executive communication throughout project lifecycles.

Director of Operations

Warrior Body Spa · Tucker, GA

2014 – 2022

- Directed operations, systems, customer experience, and team performance for a growing business; improved customer satisfaction by 34% within six months.
- Managed and developed a 17-member team, introducing process improvements across CRM, marketing, scheduling, and service workflows.
- Balanced day-to-day execution with long-range planning, automation, and employee support during periods of expansion.

Project Manager, Real Estate Operations

KSW Real Estate · Atlanta, GA

Earlier Experience

- Developed a five-year roadmap and investment plan contributing to \$14M+ in savings and cost avoidance.
- Helped scale the property portfolio from two to seven properties, supporting 350% growth through disciplined planning and execution.
